

## Access Guide: Agent Information Hub

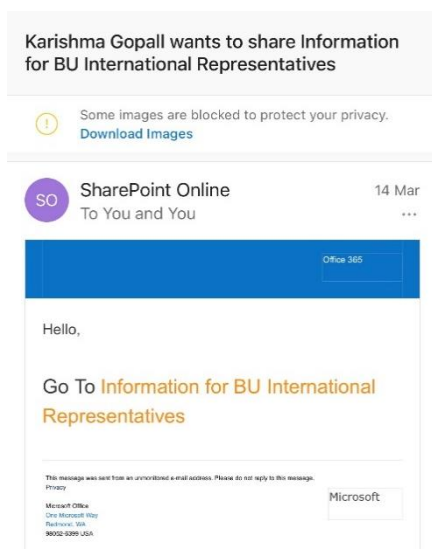

We have created an information hub for you to access all the important information you may need in the recruitment of students considering Bournemouth University.

The SharePoint page is for BU representatives use only, and we have given you access based on the details registered in our database. If someone from your organisation has not received the link, they can ask for access, and we will approve or reject their request after verifying their details. Please see access instructions below.

### **1. If access has been given**

#### **Step 1**

If you were given access, please check your inbox for an email with the access link as the image below. Make sure to check your junk/spam folder if it is not in your main inbox. If you have not received the link move to **page 3** (If access has not been given) for further instructions.

#### **Step 2**

Click on the link 'Information for BU International Representatives' to access the new SharePoint site.

Go To [Information for BU International Representatives](#)

Click here

### Step 3

When you get to the below page click on 'Microsoft account' and use the email address associated with that account to log in; this can either be a gmail, yahoo, outlook or other Microsoft account but you can log in using your work account e.g. [johnb@studyin-uk.com](mailto:johnb@studyin-uk.com) or [bellab@edukas.com.tr](mailto:bellab@edukas.com.tr) which is recommended.

Office 365
