Privacy and safety Privacy Protect your Tweets Tweet privacy If selected, only those you approve will receive your Tweets. Your future Tweets will not be available publicly. Tweets posted previously may still be publicly visible in some places. Learn more. Tweet with a location Tweet location

If selected, you can add a location to your Tweets, such as your city or precise location, from the web and via third-party applications. This setting does not affect Twitter for iOS or Android. Learn more

Delete location information

Location labels you've added to your Tweets will no longer be visible on Twitter.com, Twitter for iOS, and Twitter for Android. These updates may take some time to go into effect.

 Allow anyone to tag you in photos Photo tagging

Only allow people you follow to tag you in photos

Do not allow anyone to tag you in photos

✓ Let others find you by your email address

✓ Let others find you by your phone number
