

Summary of the Fees Policy 2022-23

Bournemouth University (BU) is committed to a fair and transparent policy for charges made to its students. We will use reasonable efforts to provide students with prompt notification of any fees or charges due to BU, along with details of the arrangements for payment. Detailed rules and procedures are set out in the Fees Policy (see the Finance section on the student portal,¹) which we update from time to time.

Before you enrol at BU, you should read the Fees Policy. We have provided this summary to make sure that you are aware of the main rules that relate to fees. These rules are part of your contract with BU and you must make sure that you understand them and accept them before you enrol at BU.

Information about tuition fees and other charges is provided with your offer letter. Information for all programmes is also available on request from the askBU enquiry team who can be contacted on 01202 961916 or by email at futurestudents@bournemouth.ac.uk (for prospective students) and the askBU Student Services Team who can be contacted on 01202 969696 or by email at askBU@bournemouth.ac.uk (for current students).

1. TUITION FEES

- 1.1 You are personally responsible for ensuring that your tuition fees are paid, even if you are sponsored by a third party, have applied for a student loan or another third party is paying them.
- 1.2 UK students taking an undergraduate programme may be eligible for a tuition fee loan from the Student Loan Company. If your loan application is accepted, the Student Loan Company will pay your tuition fees to us directly. See paragraph 2 on student loans below.
- 1.3 If a sponsor has agreed to pay your fees, you are still personally responsible for paying them if your sponsor does not pay in time. Your sponsors must pay your fees for each academic year by the date given on the invoice.
- 1.4 If you do not receive a loan from the Student Loan Company, you can pay your fees in full or by instalments, see paragraphs 3 and 4 below.
- 1.5 You must make sure that your tuition fees are paid on time. Failure to pay is a serious matter. We may take action against you, as described in paragraph 10 below. It is important that you tell us if you change your contact details or address so we can contact you about outstanding payments.
- 1.6 If your programme is due to start in the 2022/23 academic year, your tuition fees will not change during your programme, as was set out in your offer letter.
- 1.7 If you have refugee status, your fees may change if you are granted the right to remain in the UK during your studies. More details are given in the Fees Policy.

2. STUDENT LOANS

- 2.1 UK students taking an undergraduate programme that lasts one or more academic year may be eligible for a tuition fee loan from the Student Loan Company. The Student Loan Company has its own rules and procedures and you must follow these carefully. You will need to apply to the Student Loan Company for each year of your studies.
- 2.2 If we ask you, you must provide us with evidence that you have applied for a tuition fee loan from the Student Loan Company and that your application has been accepted.
- 2.3 If the Student Loan Company refuses to pay all or part of your tuition fees for any reason, you must pay the tuition fees yourself.

3. HOW CAN YOU PAY?

- 3.1 If you are paying your tuition fees in full, you can pay by:
 - Credit card or debit card, (either on-line or in person)
 - Flywire (For international applicants and students only);
 - UK Domestic Bank transfer (for UK students only)
- 3.2 We will not charge a transaction charge for payment by debit or credit card.
- 3.3 Please make sure that you have enough money or credit available before you pay us. If your payment cannot be completed, we may charge an administration fee of £20.00

4.4 In exceptional circumstances, we may agree an extended payment plan with a student. We cannot do this for students on a visa, as this would breach the student's visa requirements.

4.5 You must make sure that there is enough money/credit on your account to cover the instalments when they are due. If we cannot collect an instalment on time, we may apply immediate sanctions and administration charge of £20. We may apply a further £20 administration charge on each due date if you have not paid the previous instalments. See also paragraph 10 below for sanctions for non-payment of debt.
